Morro Bay, CA 93442

CONSTRUCTION NOTICE: QUINTANA ROAD CLOSED BETWEEN LA LOMA AVENUE AND SOUTH BAY BOULEVARD

June 1, 2022

- When:** As part of the City's Water Reclamation Facility (WRF) Pipelines construction, Quintana Road will be closed between La Loma Avenue and South Bay Boulevard from Monday, June 6, to Friday, June 10. During the closure, through traffic will be detoured on Highway 1; access for local traffic will be maintained between La Loma Avenue and South Bay Boulevard.
- What to Expect:** Residences and businesses between Morro Bay Boulevard and South Bay Boulevard can be accessed via Morro Bay Boulevard (southbound on Quintana Road) or from Allesandro Street. Emergency responders have been notified about the closure and will plan accordingly.
- Why:** The City of Morro Bay is investing in the construction of the WRF Program that will protect our environment, and be capable of providing a safe, clean and reliable water supply for our community, both current and future generations. The WRF Program involves replacing the City's existing wastewater treatment plant with an advanced water purification facility that will create a drought buffer and will be capable of serving the City's water needs in the future.

Please contact wrfinfo@morrobayca.gov or **877-MORROBAYH2O (877-667-7622)** with questions about the City's WRF Program, and a team member will get back to you within one business day.
