City of Morro Bay Water Reclamation Facility Pipelines South Bay Boulevard Scheduled Closure - Dec. 27, 2021

Construction is scheduled on South Bay Boulevard beginning **Monday, Dec. 27**, on the City of Morro Bay Water Reclamation Facility (WRF) Pipelines. The WRF Program is the largest-ever City infrastructure program, and will meet state water and wastewater regulations, protect the environment, and contribute a safe and reliable water source for Morro Bay's residents and businesses.

What To Expect: South Bay Boulevard will be closed for pipeline construction between Quintana Road and the Highway 1 ramps. Highway 1 will remain accessible via Quintana Road and Morro Bay Boulevard. Quintana Road will be fully opened by Dec. 27, and all roads surrounding the closure will be open.

Please plan extra time for commuting to accommodate for potential delays and the detour to Highway 1, and please follow posted signage.

Traffic control for future construction on South Bay Boulevard from the Highway 1 ramps to the City's WRF at 355 South Bay Boulevard is still being coordinated with and reviewed by Caltrans. More information will be distributed as soon as it is available.

When: South Bay Boulevard will be closed beginning Monday, Dec. 27, and remain closed for approximately eight weeks (weather permitting). Construction is scheduled on weekdays from 7 a.m. to 5:30 p.m. Weekend or night work may be scheduled, as needed, but neighboring properties will be informed in advance of schedule changes.

Closure Map:

Contact Information:

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on morrobaywrf.com. Please contact wrfinfo@morrobayca.gov or 877-MORROBAYH2O with questions about the City's WRF Program, and a team member will get back to you within one business day.

Documents and Resources

Project documents and meeting materials will be regularly posted on www.morrobaywrf.com under the Resource Library link.

About Our Water Morro Bay

The City of Morro Bay is investing in the construction of the WRF Program that will protect our environment, and provide a safe, clean and reliable water supply for our community, both current and future generations.

The WRF Program involves replacing the City's existing wastewater treatment plant with an advanced water purification facility that will meet state regulations, protect the environment and contribute a safe and reliable water source for Morro Bay's homes and businesses. The project will create a drought buffer and will be capable of providing up to 80% of the City's water needs in the future.

For more information about Our Water, please visit www.morrobaywrf.com or call 877-MORROBAYH2O (877-667-7622).
